

# Teaching Ethical AI in High School

**Charlotte Dungan**

AI Program Architect

North Carolina School of  
Science and Mathematics

*Presented at the*

**2020 CSTA Annual  
Conference**

**Deborah Seehorn**

AI4K12 Steering Committee

**Monday, July 14, 2020**

**9:15 - 10:00 AM**

# Please Introduce Yourself!

## **Name, Role, Location**

Share what got you interested  
in Artificial Intelligence!

*“Birds of a Feather” means  
that participant contributions  
are the heart of the session.*

*There is no formal  
presentation, only  
discussion. Please break the  
ice by sharing a little about  
yourself in the chat.*

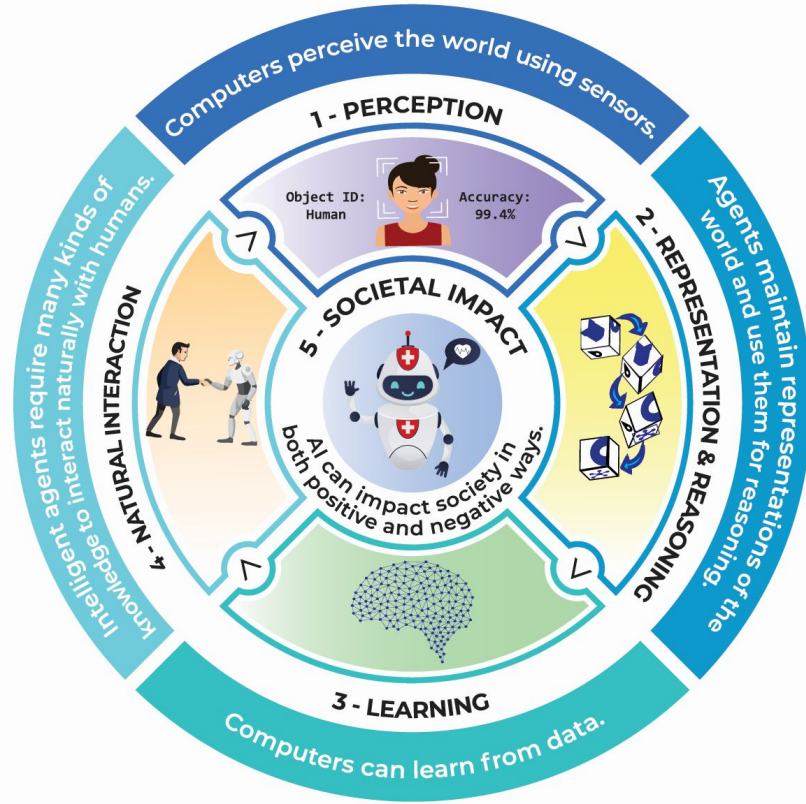

# Five Big Ideas in AI

Download a free poster explaining the Five Big Ideas from our website:

<http://AI4K12.org>

# DISCUSSION\*

This Birds of a Feather is all about YOU!

*Please submit topic ideas in the chat.*
